Shake 'n' Bake take the cake!

Date 14.03.07
Track Conditions Dry
Race Fastest Lap 48.959
Drivers 26

The first round of the Enduroseries 2007 using the New 07 Thunderkarts. For many of the drivers this was their first race since last year, for a few others it was their first race! We welcome the new teams.

26 Teams signed on and after driver briefing eagerly found their karts for the 10 minute Practice. Some of the regular drivers had already tried out the New Karts in the 320 Challenge last Tuesday and were keen to see what another week of use had done. Nicely bedded in!

Dogz took Pole position, with last years winners Nip & Tuck 2nd, Shake n Bake 3rd, Fat & Furious 4th, 49ers 5th, BAR Honda 6th, Team 2007 7th, Dodgy Gits 8th, Lift Away 9th, Grand Pre 10th, KP Nuts 11th, Blues Brothers 12th, Steptoe & Son 13th, Supercalafragelisticexpialodousous (Mary Poppins) 14th, The Twins 15th, Spin Doctors 16th, Spongebob Squarpants 17th, Still Game 18th, Phat Boyz 19th, The Italians 20th, Wings & Wedges 21st, Three for a Fiver 22nd, Supreme 23rd, Thick & Thin 24th, The Gaffers 25th and Spicy Hot 26th.

New Karts, New Drivers, New Tarmac – the first corner! Brilliant, all safely round turn one into the esses with Dogz holding the lead. It was testament to the driving abilities of the drivers that they all settled into the race. Dogz held the lead, with Shake n Bake moving up to second. KP nuts had jumped 5 places to 6th and another mover was Spin Doctors from 16th to 10th position.

At the 20 minute mark Dogz held the lead, Shake n Bake 2nd, Team 2007 3rd, Nip & Tuck 4th, BAR Honda 5th and "Storming" through the pack from 22nd to "6th" were Grand Pre, Fat & Furious 7th, Dodgy Gits 8th, 49ers 9th and Steptoe & Son 10th.

After the Pit stops the drivers settled into a slightly more relaxed mode! 15 minutes to go and Shake n Bake took the lead from Dogz, Fat & Furious upto 3rd with BAR Honda (Lee Hawley 4th and setting a New Lap record of 48.959, Nip & Tuck 5th, Dodgy Gits 6th, Lift Away 7th, 49ers 8th, Grand Pre 9th, Blues Brothers 10th, Steptoe & Son 11th, KP Nuts 12th, Supercala.....Mary poppins! 13th, Team 2007 down to 17th with nowhere to go, after coming round Garda and finding a kart sideways across the track, resulting in a full course yellow.

Dogz, Shake n Bake and Fat & Furious

Well done to the drivers, especially the novices for reducing their speed and controlling the race. The Twins 15th, Still Game 16th, Wings & Wedges 17th, Spongebob Squarepants 18th, The Italians 19th, Phat Boyz 20th, Spin Doctors 21st, Three for a fiver 22nd, The Gaffers 23rd, Supreme 24th, Spicy Hot 25th and Thick & Thins 26th.
