FASTEST LAPS THUNDERKART NIP & TUCK 50.794 - PROKART DODGY GITS 51.404

The Dynamic Duo – Nip & Tuck. A Great Pair of Dodgy Gits

St Georges Day and round 3 of the Enduroseries. It had been raining most of the day, but by late afternoon it was dry leaving the track "moist!". 19 teams signed in. A lively driver briefing with 18 teams joining in the St Georges Day banter but sadly our Scottish contingency (Still Game) not as keen!

We had some guest appearances from Carl Tebbutt (Nip & Tuck), Andrew Mollison (Lift Away) and Matt Rudd (Steptoe & Son) who all stepped in as replacement drivers and Prokart Driver Julian Silver (Dodgy Gits) swapping to the Thunders at half time to join Andrew. Many thanks to you.

Not unexpected, the duo of The Old Buck and Carl Tebbett (Nip & Tuck) roared into Pole position with a time of 51.060, hot on their heels, Turn & Burn 2nd, Lift Away 3rd, KP Nuts 4th, Steptoe & Son 5th, Black & Blue 6th, Team 2008 7th, Spin Doctors 8th, GPL 9th, holding 10th and first of the Prokarts #Dodgy Gits, Gus Hanson 11th, SDI Racing 12th, The Snails 13th, #The Stalkers 14th, #Scuderia McRae 15th, Grand Pre 16th, #Blues Brothers 17th, #Still Game 18th and after a kart change Spongebob Squarepants 19th.

As the lights went to green Nip & Tuck shot into the distance with 18 karts following all safely round hairpin 1, with KP nuts taking a 2 place advantage and Lift Away falling into 6th. Further down the grid, #Dodgy Gits started well getting into 9th mixed amongst the Thunderkart drivers.

By 20 minutes Nip & Tuck had a 6 seconds lead over Lift Away who had worked through the pack to take 2nd, KP Nuts 3rd Team 2008 4th, Steptoe & Son 5th, and Turn & Burn 7th with only 8.88 seconds dividing them. GPL 7th, Grand Pre 8th, #Dodgy Gits 9th, Spongebob Squarepants 10th, Spin Doctors 11th, Gus Hanson 12th, SDI Racing 13th, Black & Blue 14th, The Snails 15th, #Scuderia McRae 16th, #The Stalkers 17th, #Still Game 18th and #Blues Brothers who were back in the pits for another kart change 19th.

All driver changes completed Nip & Tuck were now nearly a lap ahead with the Old Buck now in the driving seat! Turn & Burn were now 2nd with Team 2008 upto 3rd, relegating KP Nuts 4th and Lift Away 5th, a great change over for Grand Pre who were now 6th. The only Prokart of #Dodgy Gits to be amongst the Thunders were storming. With 20 minutes to go 14 teams were on the same lap.

As the clock ticked down there would be unexpected change of position for one of the teams. Two laps to go and Turn & Burn received another contact warning resulting in a Black Flag. 30 seconds later Nip & Tuck were on their final lap. Would Turn & Burn come into the pits before the chequered Flag?? No!!

Nip & Tuck crossed the line to take a well deserved win and the fastest lap of 50.794 on lap 49. Turn & Burn 2nd (With a stewards enquiry from the Race Director) KP Nuts 3rd, Lift Away 4th, Grand Pre 5th, Team 2008 6th, GPL 7th and Steptoe & Son 8th with only 15 seconds separating 2nd to 8th. #Dodgy Gits with an excellent drive staying with the Thundkarts took first in the Prokart Class, 9th overall. Spin Doctors 10th, Gus Hanson 11th, SDI Racing 12th, Spongebob Squarepants 13th, Black & Blue 14th, #Blues Brothers 15th (2nd Pro), #The Stalkers 16th (3rd Pro), #Scuderia McRae 17th, The Snails 18th and #Still Game 19th.

At the presentation in the bar after the event, a decision had been made by Race Director Phil Ling regarding the Black Flag and subsequently he decided to "demote" Turn & Burn to 3rd, moving KP Nuts to 2nd position. This was taken graciously by both Lee & Dan – they thought it was worth a try!
