DATE 21.05.08 > TRACK BUCKMORE PARK > TRACK CONDITION DRY > TEAMS 19
FASTEST LAPS THUNDERKART NIP & TUCK 49.927 - PROKART BLUES BROTHERS 51.636

Nip & Tuck and #Blues Brothers Full Marks!

19 teams all "Motorsport Enthusiasts" turned up for Round 4 of the Enduroseries 2008, whilst the Football fans stayed at home and in the pub. A "Big" game of footy was on and with that in mind we got signed on and driver briefing underway, so that by the end of the race those interested in the football could watch the "penalty shoot out" in the bar.

Tonight the grid was quite evenly split with 10 Thunderkart Teams and 9 Pro-kart Teams, and we welcomed the new drivers and would also like to send best wishes from everyone to Julian Silver (Dodgy Gits) who is unwell in hospital.

The Dynamic Due which is Nip & Tuck again took pole this month with a time of 50.048, Steptoe & Son 2nd, Turn & Burn 3rd, Lift Away 4th, Team 2008 5th, GPL 6th, KP Nuts 7th, first of the Prokarts #Blues Brothers 8th, Grand Pre 9th, Spongebob Squarepants 10th, #49ers 11th, Spin Doctors 12th, #General Lee 13th, #Still Game 14th, #Dodgy Gits 15th, #RDS 16th, #F.Wit Twins 17th, #Taxi 18th and #Charlies Angels 19th.

Lights Red to Green and all round, Nip & Tuck holding the lead, Steptoe & Son and Lift Away close behind with #Taxi and #Charlie's Angels being the two spinners at the back of the grid. A good battle was forming, between, Steptoe & Son, Lift Away, and GPL.

At the 20 minute mark Nip & Tuck had now pulled away 10 seconds having had the fastest lap of 49.927 ahead of Steptoe & Son, GPL in 3rd with Lift Away 0.20seconds behind in 4th. Further down the field the #49ers were trying to catch #Blues Brothers who were 7 seconds in front with Spongebob Squarpants sandwiched in between.

With all drivers changing over in the 10 minute window it was still Nip & Tuck in the lead, Steptoe & Son 2nd, Turn & Burn now into 3rd, GPL 4th Lift Away down to 5th, KP Nuts 6th, Grand Pre 7th, #Blues Brothers 8th, Spongebob Squarepants 9th, #49ers 10th, Team 2008 11th, #General Lee 12th, #Dodgy Gits 13th, #F.Wit Twins 14th, #Still Game 15th, Spin Doctors after a puncture and kart change into 16th, #RDS 17th, #Taxi 18th and #Charlie's Angels 19th.

It was to be a busy second half for the Marshal under race-control with his contact board and his Black Flag. GPL, Team 2008, and Spin Doctors all came for their "smacked" wrists and then as the race was coming to a close a Black flag was put out for the leaders Nip & Tuck who were luckily nearly a lap ahead and had received the penalties for overtaking the back markers.

Positions 3rd, 4th and 5th, would go right to the finish as Lift Away, Turn & Burn and GPL were having their own race, with great driving.

One hour and Nip & Tuck took the win, Steptoe & Son 2nd, Turn & Burn just 3rd, GPL 4th, Lift Away 5th, KP Nuts 6th, Grand Pre 7th, #Blues Brothers 1st of the Prokarts 8th, Team 2008 9th, #49ers 10th, Spongebob Squarepants 11th, #General Lee 12th, #Dodgy Gits 13th, Spin Doctors who had several kart problems 14th, #Still Game 15th, #F.Wit Twins 16th, #Taxi 17th, #RDS 18th and #Charlies Angels 19th some 13 laps behind but had fun!

It was now up to the bar for presentations and to watch the end of the football!
