ENDURO SERIES 2008

ONE HOUR TEAM ENDURANCE CHAMPIONSHIP

**DATE 17.09.08 > TRACK BUCKMORE PARK > TRACK CONDITION DRY > TEAMS 30
FASTEST LAPS THUNDERKART 50.075 NIP & TUCK – PROKART – 51.458 BLUES BROTHERS**

30 Teams entered Round 7 of the Enduroseries after the summer break. 20 Thunderkarts and 10 Prokarts.

We welcome back Dogz (Roy & Russell) and Dave West (Kerb Crawlers) back with Lee Hawley as a formidable team for 2009! Stuart Jones kindly agreed to stand in for the "Old Buck" as Haydn has a slipped disc. We all wish him well.

#Denotes Prokart

A relatively quiet qualifying session, they were saving the best bits for later in the evening! The reformed Kerb Crawlers took pole position with a time of 51.718, Nip & Tuck 2nd, GPL 3rd, Dogz 4th, First of the Prokarts #Dodgy Gits 5th, Team 2008 6th, Spin Doctors 7th, KP Nuts 8th, Steptoe & Son 9th, Turn & Burn 10th, Grand Pre 11th, Spongebob Squarepants 12th, Dobin 13th, #Dam Buster (single driver so no points) 14th, #Chicken Joggers (a returning team who were Chicken Runners but as they are older are not quite as quick!) 15th, #Scuderia McRae 16th, #Team Christie 17th, Sumos 18th, #49ers 19th, Ragged Edge Karting 20th, #Blues Brothers 21st, #Alad 22nd, Super Heroes in Training 23rd, #Still Game 24th, Team Da-Costa-Simms 25th, #Team Ginn 26th, Team Webster-McKeown 27th, Team Spencer-Carroll 28th, Team

Upperton-Salter 29th and Team Robinson-Dowsett 30th. Grand Pre had a change of driver after Russell who had picked up an injury from a previous event decided he couldn't do 30 minutes. Luckily Alice Goad who was the 2007 Junior Buckmore Star Pupil was on hand and had been at driver briefing as she was a reserve driver.

The lights to green and everyone away and jostling for position. Nip & Tuck have the advantage and just take the lead. A bit of a bundle at hairpin 2 where everyone wants the exact same piece of tarmac but unfortunately it is not to be. The winners and losers are #Dodgy Gits, Grand Pre, Sumos and Turn & Burn all dropping down the grid and Dobin, and Super Heroes in Training gaining position.

With a grid of 30 inevitably there would be some contact and the first black flag went out to #Scuderia McRae on lap 3! Others who were a little over zealous in the first half were #Chicken Joggers, Dobin and his first black flag of the night to #Dam Buster.

20 minutes into the race and Nip & Tuck and Dogz were wheel to wheel, bumper to bumper lap after lap with Nip and Tuck just holding the line. Dogz very eager to take the lead on their debut this year picking up two contacts. KP Nuts and GPL having a battle for 4th and 5th and further down the grid battle in class for #Scuderia McRae who were trying to gain places after their black flag with #Alad.

30 seconds before the driver change window opens and #Dodgy Gits comes into the pits for a change. (this was due to the driver who has been unwell for a couple of months deciding he had enough). The rules state that if any driver changes before or after the window then they are penalized with a drive through. After one lap the driver who incidentally was 12 seconds ahead of his rival came in for his drive through and back out. This ensured that the team would get their championship points.

ENDURO SERIES 2008

ONE HOUR TEAM ENDURANCE CHAMPIONSHIP

The marshal under race control was extremely busy tonight with Black flags for Turn & Burn, Nip & Tuck and #Blues Brothers.

All changes over and into the final 20 minutes. Dogz now 15 seconds in the lead with two contacts in the first half so Roy would have to take it easy to prevent a Black flag and losing the lead. Ragged Edge Karting was slowly making their way up the grid and Spongebob Squarepants were driving a steady race. Unfortunately #Blues Brothers overtook on yellow twice and was immediately black flagged back into the pits.

Still drama with 10 minutes to go. GPL (Glenn) decided that we need another entrance to the pit lane a little nearer to race control as he was deposited into the tyres (I bet that hurt!). Pit-crew jumped over to help him and get him out of the path of the oncoming traffic and send him on his way. Four more black flags to come, Spin Doctors, #Alad, another for #Dam Buster who had made heavy contact with #49ers (Kev decided to retire on lap 54 as walking wounded) and such a shame but one for GPL.

As the clock ticked down to the last lap, yellow flags appeared at post 2 as Team Upperton-Salter (Chloe) had buried herself in the tyres. (all by herself!) She had been black flagged previously but was having such a lovely time out there didn't come in. It had just started to rain and some of the less experienced drivers found it a little slippery.

69 laps completed for the first four across the line. A great drive by Dogz who held first position from lap 33 took a well deserved win. Nip & Tuck 5 seconds behind in 2nd, KP Nuts held 3rd, Kerb Crawlers 4th, Team 2008 5th, GPL 6th, Steptoe & Son 7th, Spongebob Squarepants 8th, First of the Prokarts #Dodgy Gits 9th, who kept up with the Thunders for the hour. Ragged Edge Karting 10th, #Chicken Joggers 11th, Spin Doctors 12th, Dobin 13th, Grand Pre 14th, #Team Christie 15th, #Scuderia McRae 16th, Turn & Burn 17th, #Dam Buster 18th, Sumos 19th, #Blues Brothers 20th, Super Heroes in Training 21st, #Still Game 22nd, Team DaCosta-Simms 23rd, #Alad 24th, Team Webster-McKeown 25th, #Team Ginn 26th, Team Spencer-Carroll 27th, #49ers 28th, Team Upperton-Salter 29th and Team Robinson-Dowsett 30th.

**We look forward to seeing you for round 8 on
Wednesday 15th October 2008**
