ENDURO SERIES 2008

ONE HOUR TEAM ENDURANCE CHAMPIONSHIP

DATE 15.10.08 > TRACK BUCKMORE PARK > TRACK CONDITION DAMP > TEAMS 18
FASTEST LAPS THUNDERKART 51.314 TEAM 2008 - PROKART - 51.990 DODGY GITS

A wet evening with England playing a game with a ball somewhere north of Watford and only 18 teams signed in for round 8 of the Enduroseries Championship.

#Denotes Prokart

A quiet qualifying with a few kart changes and drivers avoiding the few damp spots on the circuit.

On Lap 9 KP Nuts took the quickest qualifying lap 52.191 putting them on pole position. 2nd Spin Doctors, 3rd (first of the prokarts) #Brown Back Racing, 4th Dodgy Gits, 5th Turn & Burn, 6th Nip & Tuck, 7th Team 2008, who had been helped into the tyre wall on his final lap. 8th GPL, 9th #Super Heroes in Training, 10th Steptoe & Son, 11th Spongebob Squarepants, 12th Grand Pre, 13th #Scuderia McRae, 14th #Still Game, 15th Team Christie, 16th Lift Away, 17th #Team Flipper and 18th #Team Pitchley.

Lights to green and let's go. Although only 18 karts the track was slightly greasy after the rain so inevitably by the second hairpin there would be a "Gathering!". A great start from Spin Doctors who took the lead and the only team to get into the 59s on the first lap, with #Dodgy Gits 2 seconds behind and KP Nuts getting ready to get back the two places. Nip & Tuck suffered, now 15th and I think Lift Away should have stayed in to watch the footy as it was definitely wasn't going to be their night as the Prokarts passed them!

After 10 minutes Spin Doctors found Steptoe & Son closing the gap with KP Nuts now 3rd and #Dodgy Gits still holding onto 4th. #Super Heroes in Training were working their way through the grid and after their visit to the tyre wall in qualifying Team 2008's were struggling even after a kart change but were on a charge and put in the fastest lap of the night 51.314. A great, skilled move (no more than we would expect) past 5 back markers by stand-in driver Chris Tatnell for Grand Pre.

Kart changes over and a change in leader. Steptoe & Son and stand-in driver Matt Rudd took the lead after the driver changes, 2nd by 0.44 Spin Doctors, 3rd #Dodgy Gits, 4th KP Nuts, 5th Grand Pre, 6th Turn & Burn, 7th GPL, 8th #Super Heroes in Training, 9th Team 2009 with lady luck now helping them out. 10th #Brown Back Racing, 12th #Scuderia McRae, unlucky for some 13th Nip & Tuck who had Stuart Jones standing in for The Old Buck who is still hobbling about, 14th #Still Game, 15th #Team Christie, 16th Lift Away, 17th #Team Flipper and 18th #Team Pitchley.

After one hour and 69 laps, Steptoe & Son cross the line to take the win, 2nd KP Nuts and NO contacts, a great drive from Mike & Rik of Spin Doctors who had held their second place until lap 62 putting them 3rd and on the Podium for the first time since they teamed up in 2005. Comment from Rik "This trophy has only cost me £7,000!!!) 4th and first in the Prokarts #Dodgy Gits who stayed ahead of the other pros for the whole hour and took the pros fastest lap time of 51.990. 5th Turn & Burn, 6th Team 2008 who made a brilliant recovery, 7th Grand Pre, 8th GPL, 9th #Super Heroes in Training, 10th Spongebob Squarepants, 11th Nip & Tuck (they have plenty of trophies!), 12th #Scuderia McRae, 13th #Still Game, 14th #Team Christie, 15th Lift Away, 16th #Brown Back Racing, 17th #Team Flipper and with the weather in the morning, they may have needed them, although I know from Adam Treacher that's not what it stands for!), and a great,

ENDURO SERIES 2008

brilliant drive from Tony & Ben – #Team Pitchley who had a great race and would have been half way up the grid had there been 35 karts, possibly!
